## Buechel Lights Shining; Sidewalks In Offing

The Buechel section of the Bardstown Road has recently taken on the appearance of a whiteway. Street lights have just been installed and are being maintained by the Buechel Civic Club.

Night traffic on Highway 31E has recently improved at the Buechel intersection. The next improvement, which is said to be on the immediate program of the State Highway Department is the putting down of a sidewalk on the north side of the highway from Hikes Lane to Beargrass Avenue.

A red signal light has just started at the Bradford Avenue intersection of the Bardstown Road traffic of the possible hazard existing from the Buechel fire truck whose headquarters are at Bradford.

We are still the president of the Buechel Civic Club. Citizens of that area are being invited to join the welfare group and participate in a program of public improvement.

## Potato Growers Should Get Quotas At Once

An announcement from the County Tri-A office, this week states that quite a number of potato growers in this County who usually grow potatoes on a commercial basis, have not made application for quotas.

All those expecting to grow three or more acres this year should establish their quotas at once. The County Agricultural Conservation Commission, whose office is in the Federal Building in Louisville.

The federal government's proposed quota system will set up quotas for all types of commercial growers. Through that program a County quota is set up at the State office and passed on to County committees. Individual quotas are set up from the County allotments.

Overall quotas have been cut to 100 percent of production which makes it essential for individual growers to establish their quotas as the program provides. Otherwise they are not entitled to protection under the price-support plan.

## Local Happenings

Lloyd McGuire, son of Mr. and Mrs. McGuire, who enlisted in the U.S. Coast Guard for a period of four years, left last Thursday evening for Mayport, Fla. He will be stationed at Mayport during his eight weeks of boot training plus two months' special training.

Mrs. Hallie White is again connected with Sarah's Beauty Shoppe after an extended vacation. The services will be held at 6:30.

## Funeral Rites Thursday For Malcolm B. Shake

Funeral services for Malcolm B. Shake, 30, were held Thursday morning at the home of his brother, Donald, in Louisville. Condoling rites were conducted at the Buck Grove Baptist Church, Meade County, Thursday afternoon, with burial in the church cemetery. Mr. Shake was born March 20, 1920, in the Hospital at 2:30.

He is survived by his wife, Mrs. Roberta Dowell Shake; three children, Donald, 16, and Bill; his mother, Mrs. Frank Shake; six sisters; Mrs. Hollis Brown, Mrs. Jesse Hammard, Mrs. Guy Cornell, Mrs. Howard Gering, Misses Ruth and Carlene Shake; and brother, Bill Shake.

**ORPHANS HOME MEET**  
The regular monthly meeting of the Ladies' Aid Society of the Protestant Orphan's Home will be held Thursday, March 6, at 2 p.m. All members are urged and asked to attend. Special arrangements will be made for the big Easter social and supper to be given Easter Monday.

There will be no regular monthly meeting of the Alumni Association, Monday, March 3, at 7 p.m. The First United Methodist Church was our leader. Next Thursday, Rev. Edw. Schreiner of Highview will lead.

Our Easter supper was not very successful. Guess the weather was too bad. However, we had some good music by Miss Pauline Jacobs of Southgate. She was entertained with an electric guitar accompanied at the piano by Pvt. James Hartzel of Ft. Knox.

The Pleasant Grove Church now has a troupe Boy Scouts Sponsored by the P.T.A. Their Scoutmaster is Herbert M. Spencer, and the assistant, Paul L. Hartzel. They are doing wonderful things. A lot of praise should go to Mr. Spencer for giving his entire Saturday afternoon to such a deserving cause.

**POSTPONED!**  
There will be no regular monthly meeting of the Jeffersontown High School Alumni Association, Monday, March 3, at 7 p.m. The First United Methodist Church was our leader. Next Thursday, Rev. Edw. Schreiner of Highview will lead.

**ROEDERER SWINE CHAMP NOW ON MAGAZINE PAGES**  
Future Farmer John Roederer, state pig champion in 1945, has moved with his folks from the family farm in Marion County, on the Midwayton Road. John will continue in his hog business, with improved facilities at his new location.

John, his father, C. J. Roederer, specialize in Black Poland China hogs.

**USE THE CLASSIFIED ADS—THEY GET RESULTS.**

## Webb Named President Of Highview Club

A meeting of the Highview Improvement Club, held last Sunday, indicated much interest in the club's plans for the future. There was a large crowd present at the election of officers.

The following new officers and directors were elected: President, T. W. Webb; vice-president, S. L. Shore; secretary, G. Gandy; treasurer, William Edgar Coe, T. W. Webb, C. R. Lawes and Tom Tindell.

The new officers will be installed at the next meeting of the club.

## Kentucky's Wildcats All Set For Tournament

Kentucky's Wildcats, the current number one basketball team of the nation, will be heading for their fourth consecutive Southeastern conference championship this week for the annual affair in Louisville. The tournament will run day and night until the finals are played Saturday evening.

The Wildcats are a pre-tournament favorite to cop the honor and barring upsets, should win with ease. Although they are still tops in the nation and in the conference.

The pairings for the tournament were made Sunday and the first game will start Thursday afternoon. There will be six games on Thursday, seven on Friday and a morning session on Saturday to decide which two teams will play in the final night.

The Kentucky team has won eight of the ten tournament plays and also topped the 1935 championship by virtue of an undefeated conference season, there being no tournament that year. Last year's national championship team placed four men on the All-Conference first team and one on the second.

With what Coach Rupp calls his greatest team, the Wildcats are expected to breeze through the conference tournament and continue their record breaking season at one of the national contests.

From both the N.C.A.A. and the Metropolitan Invitational tournaments, but Coach Rupp was not indicated which tournament he will elect to play in. The Cats won the Invitational last year and would be a strong favorite to repeat if they decide to play in that tournament.

**State Needs Clerks In Several Departments**

Frankfort, Feb. 24 (Special)—The State Personnel Council has announced that competitive merit system examinations will be held in a number of positions open in the State government.

The date on which the examinations will be given will be announced later, James W. Jewell, personnel examination supervisor.

Jewell declared the State's clerical workers had urged him to add two civilian take examinations which will be offered.

The positions open and salary ranges are:

Clerical—\$100-\$200 monthly; telephone operators, \$120-\$170; accountants and statisticians, \$140-\$170; positions with the Kentucky Employment Commission, \$120-\$200; Child Welfare Department, \$150-\$220; Division of Public Assistance examination, \$150-\$220; personnel examination, \$100-\$120.

The first mass and dedication of St. Rita's Church on Tuesday, February 25, will be held at 10 a.m. Father Joseph Newman was the first pastor.

The spiritual exercises of the mission, which opened Sunday, Feb. 19, will be for women, the second for men.

Masses will be held at 7, 8:45 and 10 a.m., and week-day services every evening at 7:45 p.m. All are invited and urged to attend.

**Local Senior Play Set For March 14**

Jefferson High School will present the Senior Play, "A Date With a Friend," Friday, March 14. The play is a typical teen-age comedy in three acts adapted from the popular radio program of the same name by Alan Lebowitz.

The cast is as follows: Judy Foster, a teen-age Miss—Jo Ann Stafford; Melvin Foster, a boy—Dimple Huddleston; Ogle Pringle, the man in Judy's life—Tetley Metzger; Mitz Hoffman, friend of Judy's—Doris Frances Slagle; Mr. Marlowe, a theatrical agent—Earl Blackwell; Mrs. Hotchkiss, the laundry woman—Emma Carpenter; Eloise Bishop, a girl—Audrey Mitchell; Mrs. Marguerite Henderman; Mrs. Schlathammer, of the P.T.A.—Kathryn Kramer; Rexell Mitchell, O'Connor, a boy—Lorne Langford; Lelaine and Sandra Mitchell.

## Local Man Has Good Record In Germany

With headquarters 66th constabulary squadron, Degerndorf, Germany.—

To T/4 Willie Shaver, of Jeffersontown, Ky. Troop D, 66th Constabulary Squadron stationed at Degerndorf, Germany, ascribes much of the credit for its perfect record of no loss of weapons and no accidental shootings during the last three months.

As troop armorer, Shaver keeps a careful check of every weapon removed from the armor room and returned to it. His job also carries responsibility for supplying the Troop's outposts with weapons and ammunition. Under his direction, new weapons on racks were recently installed. T/4 Shaver is assisted by Cpl. Douglas Haverkamp, of White Earth, Minnesota.

Before entering the Army in November 1945, Shaver attended schools in Jeffersontown and Akron, Ohio.

## City Recreation Director Commands Vettiner

Mr. Charlie Vettiner, Supervisor Recreation, Jefferson County Armory.

Dear Charlie: Congratulations on your new book, I am sure it must contain some very valuable information covering the field of Recreation.

You are to be commended on your sincere and thorough approach to the many program problems facing those in a public field of Recreation.

Mr. Morgan talked to Mr. Sanders about getting a copy of the book for his office, but I would like very much to obtain one for our use here. Whatever cost there is connected with it, I will be happy to pay.

If such is available to me please call my office and I will send someone by for it.

Again, congratulations on the splendid job you are doing.

Sincerely,  
W. A. (BILL) MOORE,  
—Superintendent, Division of Recreation, City of Louisville.

CHARLES VETTNER, Editor.

## SMOKE RINGS

By Charlie Vettiner

Smoke Rings hang low over the beautiful countryside of Anchorage where Mrs. Lorch and Mrs. Yunkers are organizing a peppy recreation committee to work with the Jefferson County Playground and Recreation Board.

Smoke Ringer's famous cob pipes for service to others go to these public-spirited ladies who are willing to work that others may have.

Listen to this. While we are in Anchorage, let's visit Emmett Goranflo who is busy at work preparing plans for the County golf championships to be sponsored by the Jefferson County Playground and Recreation Board.

Attention Arthel George, Valley; Sonny Marshall, Fairdale; Fannie Stoll, Jeffersontown; Nick Nichols, Okolona; Betty Thompson, Preston Highway; Axel Vinson, of Auburndale, and Peggy Heldman, of Kenwood—get those golf clubs out and get them cilled up for the big tourney.

Applications for summer playground work continue to pour into the offices of the Jefferson County Playground and Recreation Board at the Armory. Some of the latest received are from Earl Duncan, JTown; Harry Hardin, Fairdale; Dallas Arnold, Coral Ridge; Harold Seekamp, Okolona; Kitty Stewart, Cane Run; Ed Kaiser, St. Matthews, and Emmett Goranflo, of Anchorage.

All applicants must conform with the following before they qualify for summer playground work: 1—Apply before March 1; 2—Attend a five-night training clinic at the Armory; 3—Pass a written examination; 4—Hold a recommendation from the local recreation committee; 5—Satisfy the high standards of the Jefferson County Playground and Recreation Board.

Did you Jefferson Countians know that requests for Smoke's new book, "A Guide to County Recreation," have come in from all over the United States, and a copyright has been applied for.

Calling all local recreation committee chairmen—you will receive a complimentary copy of Smoke Ringer's book. But you'll have to call at Smoke's office in the Armory to get it. When are you coming in?

Want to see pictures of your County recreation program in action? Want to read the story of County recreation? The Jefferson County Post is carrying an eight-page supplement on County recreation this week. Get hold of a copy at the Post's offices in the Pioneer Building.

Know what Smoke Ringer's got planned as one of the many features of the summer playground program? It's a Junior Olympic Village Camp for boys and girls at beautiful Valley Park. If your local recreation committee hasn't contacted the recreation office to register for the summer playground season, better have them do it now.

Buechel Civic Club delegated

Rudy Fredenberger to stop in at the Recreation office to get the copy of "A Guide to County Recreation," which was due them. How'd you like the "Guide," Jack Jackson? Did "Scotty" get hold of it yet?

If Mrs. McCracken, the idol of Jeffersontown's teen-agers is listening, won't you let Smoke Ringer know when he can come out to the Jay Bird Canteen to get some pictures of your youngsters in action?

Ole Smokie's signin' off now telling Zera DuVall, Mudge Charmoni, Merry Morgan and Betty Landis that the pictures of the girls' basketball teams are ready in the office. When you gonna pick them up?

## THE VOICE OF THE PEOPLE

By Vivian Lucas

Dear Reader, the "Voice of the Community" has been indisposed this week, and for that reason will not be able to give you an accurate description of the going-on in the communities, but with the help of Mrs. Edith Bristow, who has pinch-hitted for me, I will do my best.

First, lest we forget, to my mind February is the greatest month in the year for birthdays. Let us reflect the year of 1809, on February 12, when the great emancipator, Abraham Lincoln, was born. In February, 1817, the great abolitionist, Frederick Douglass, was born, and on February 22, 1732, George Washington, the Father of his country ("First in war, first in peace, and first in the hearts of his countrymen") was born.

February 14, at Harrods Creek, there were 21 boys and 14 girls present at the recreation period. Mary Taylor, Hackett Dunbar, Winston Johnson, Mary Stokes, Laura Jackson, Pearl Mae Taylor, Alene Brown, Richard Trowell, Robert Hawkins, Gerrude Kennedy and others were present. All enjoyed a musical evening, also laying other plans which you will hear about in the near future.

At Jeffersontown, February 15, our little people numbered 21 boys and 10 girls. In honor of George Washington's birthday, the atmosphere was full of drawing of cherry trees and hatchets. The larger boys played basketball and bingo, which was enjoyed by all. Mr. James Wilson always stands by to do what he can to help.

We want to welcome Mr. James Robert Moore, son of Mrs. William Helm, as our instructor of the boys. After coming of such fine parents as Mr. and Mrs. William Helm, we can't expect anything but something fine of this son.

On February 17, at Newburg, Mrs. Bristow reported a total of 18 boys and 22 girls. The evening was spent in music, and also having an opportunity to speak with the parents who were holding a meeting. She encouraged the parents to come out with the children, participate in their activities with them and become one of them, in so doing being a guidance to them.

The usual standbys, the Goodwins, Dorsey's, Mrs. A. T. Merritt, Mrs. T. C. Anthony, Mrs. Jerry Lucas and many others were present, including Mr. Tinker.

At Jeffersontown, February 18, Mrs. Bristow had a total of 30 boys and 16 girls. The Fleur De Lis Club held its meeting with Eva Simpson, Nellie Mae Simpson, Anna Talbot, Emma Helm, Mary Anna Tarrance, Agnes Bowen, Fannie Burks, Mable Courtney and others present. The

younger people spent a period in singing.

At Berrytown, February 20, Mrs. Bristow reported a total of 10 boys and 15 girls. An evening was spent in music and folk dancing.

I have not forgotten your medals, which Mr. Charles Vettiner so graciously gave the winners of the "Battle of Music." As soon as I am able, I will get them for you.

Trusting I will be able to be with you next week, I will say, so long until next time.

## FINCASLE RECREATION

Recreation is really an up and coming thing in Fincastle. The Saturday Club for Children is a popular event. The children actually look forward to Saturday, because there is a variety of fun on that day. They have been getting tap-dancing and art craft and are now concentrating on a play which they want to enter in the County League.

The teen-agers are proud of their canteen and are self-supporting with an average of 91 members. They have their own records and have enough money to buy their own phonograph. The committee is planning to have one Thursday a month a big night of entertainment. The club is run by teen-agers only, and they are proud of the way the club is conducted.

The Recreation Committee has

been sponsoring events to raise money for the spring and summer activities. They gave a chili supper, which was a huge success, and have decided to give a supper for 35 cents the second Saturday of each month. Residents of Fincastle are helping by donating the food.

After the supper, we will have bingo. While the parents play bingo, the children will be entertained in the game room by the recreation leader, Mrs. Al Brodbeck.

This Saturday night, February 22, the Recreation Committee is giving a George Washington birthday dance, with a colored band and entertainment. All proceeds go toward the recreation fund for summer activities.

We would like to put up outdoor lights for softball games and boxing bouts. The committee has ordered quite a bit of equipment, so help make our summer program a big success.

Our basketball team is tied for second place in the league. We are proud of the name in sports that the Fincastle kids are making for us.

**Bee Aid To Crops  
Becomes More Important**

Need of honey to supplement the sugar supply is not the principal explanation for the 1947 "goal" increasing by six percent the number of colonies of bees,

as listed in the farm production program for the year.

The primary reason for this increase, which follows an increase recommended for 1946, says Harold J. Clay of the U. S. Department of Agriculture, specialist in honey marketing, is that "the weight of supporting evidence has shown that the food economy of the nation depends on having more honeybees, solitary bees, and other pollinating insects." These insects, Clay points out, "are being lost in ever

larger quantities through increasing use of insecticides, and because of increased attention being paid to clean cultivation of crops and of many orchards. Both these practices have destroyed the homes and prevented the natural increase of countless millions of earth-dwelling insects that played an important part in the pollination of fruits, vegetables, and field crops."

**Most Beautiful Hen  
May Live In Kentucky**

The Kentucky Poultry Improvement Association says the world's most beautiful hen may live right here in Kentucky, if the owner will enter her in the "Miss Slick Chick of 1947" contest. One purpose of the contest is to promote the consumption of poultry and eggs. Five regional winners will receive trips to a movie premiere and owner of the champion will get \$500 in cash. The hen will receive a golden egg and a fur-lined nest.

Persons wishing to enter the contest should send a picture of a member of the family holding a hen, to the "Egg and I National Committee," Poultry and Egg National Board, 308 West Washington Street, Chicago. The contest will close March 10. J. W. Matthews, field manager of the Poultry Improvement Association, Lexington, is Kentucky chairman of the contest.

The Homemakers had a very enjoyable day with Mrs. Fred Ruedeman on February 11. Mr. Craik taught the first aid lesson on Artificial Respiration. Mrs. Lucille Bruce gave the major lesson on Home Furnishing. She showed several samples of new materials; also some samples of rugs, and she told how to choose

a good rug. She also showed how to fireproof material, rugs and curtains.

Secret pals were chosen for the year. Mrs. Ruedeman planned a very interesting and exciting game which was enjoyed by all. The next meeting will be with Mrs. Roy Stout on March 11.—Publicity Chairman.

## THE GARDEN

By John S. Gardner, Kentucky College of Agriculture and Home Economics.

### PLANNING III

Having determined what vegetables are to be grown, the seed list should be made. The varieties should be right, but most merchants now handle those that have been tested. Generally, novelties should be chosen with caution. A good rule is to wait until they have been listed by the seedsmen two years, during

which time someone else will have done the experimenting.

However, there are new varieties that supersede the old, some that resist the diseases that have been creeping into garden soil, particularly old gradens. For example, Jersey Queen cabbage can thrive in gardens where the Yellows (wilt) keeps Early Jersey Wakefield from producing. Likewise, Marion Market makes cabbage where Copenhagen Market fails, and Wisconsin All Seasons can do well in soils where growing late cabbage for winter storing has become a lost art. Break O'Day tomato succeeds in gar-

dens infected with wilt that causes the death of Earlania plants before even one fruit ripens. Rutgers is the late tomato for growing where the old favorites, Stone and Greater Baltimore, completely fail because of wilt.

Another good novelty variety is U. S. Refugee No. 5 bush bean that goes on thriving during the hot dry weather of August that makes Stringless Greenpod shed its blooms. Still another is Fordhook 242, a bush lima bean which in the same kind of weather continues setting pods, whereas the older Fordhook does nothing but bloom.

In ordering seed, enough should be provided for making repeated plantings, as of bush beans put in at 14-day intervals all summer long, in spaces where early cabbage, early tomatoes, greens and onions have finished making their crops. Another is sweet corn, likewise to be planted bi-weekly in blocks large enough to make a two-weeks supply, where earlier vegetables stood.

As the list is made, seed for the fall garden should not be overlooked, but kale and Seven Top and table turnips included. Somewhere, too, a note should be made about seed for the winter cover crop, even though stable manuring is intended to furnish the soil-conditioning humus; for it is doubtful whether too much humus can be supplied to soil. At least, the chance is worth taking. And, by the way, the fall garden vegetables can be sown in the same area as the cover crop, not to interfere with it in any way.

### National 4-H Club Week March 1-9

National 4-H Club Week, March 1-9, finds Kentucky with a goal of 85,000 club members this year; it is announced at the University of Kentucky College of Agriculture and Home Economics. Last year's enrollment in the 120 counties totaled 71,892 boys and girls.

Club members in Jefferson County total approximately 1,400, according to H. C. Brown, associate county agent.

In a letter to 4-H club members President Truman said, in part:

"We are proud of your 4-H clubs which are spread across our great nation. They constitute an outstanding body of youth aiming to attain worthwhile goals in life. Four-H clubs have been an outstanding influence in developing the cultural, social and recreational, as well as the practical aspects of modern rural life. As a character-building influence they are unsurpassed."

"We take satisfaction also in the fact that 4-H clubs are based on each club doing a useful piece of work on the farm or in the home or community under skillful guidance, and doing it in the best way known to research and practice; that 4-H clubs are democratically organized and conducted, with programs based on individual and community needs; and that as members of these clubs, you are concerned with work important to the home and the farm as well as those activities that make for sturdy citizenship."

The President said 4-H clubs were to be congratulated especially on their 1947 theme, "Working Together for a Better Home and World Community."

### MICHIGAN GREW MORE POTATOES IN 1946

Michigan farmers compete each year in a tablestock potato production contest, supervised by the State Extension Service. The 1946 contest winner had a yield of 643 bushels an acre compared with the previous year's winning yield of 477 bushels an acre. In 1946 there were 17 contestants whose yields were higher than the winner's.

Michigan growers reported yields of more than 300 bushels—in 1946 there were 207.

**We don't stop here**

End of the line?

For cars, yes. But not for the Southern Railway System.

We keep right on...serving the South in many ways beyond providing dependable, economical, all-weather transportation.

Our tax dollars help to build and maintain your public schools, police and fire departments and other governmental services and facilities...even airports, highways and waterways.

Our millions of dollars in "better-than-average"

wages...paid to our 50,000 employees...ring cash registers and swell bank accounts in every community we serve.

And our policy of buying all the materials and supplies we can in the South is a boon to local business, industry and agriculture.

Nor do we stop here...we go on and on. For we are your enthusiastic partner in the building of an even greater, more prosperous South.
